Ms. Nabors commented that in opening and documenting the submitted bids, it does not constitute an award or a recommendation for an award. After the bid opening, the bids will be reviewed for responsiveness by the purchasing division and forwarded to the Public Works/Utilities department for final review. There were no addenda posted for this project.

Ms. Nabors commented that after staff reviews the bid submittals a notice of intent to award or reject the bids will be issued and posted on DemandStar and the City website at www.nlauderdale.org. It is anticipated that a recommendation will be submitted to the City Commission for consideration and approval of an award on Tuesday, July 9, 2019. Ms. Nabors stated that there is still a cone of silence for this bid, so any communication should be directed to her at snabors@nlauderdale.org
