Only bidders who attended the mandatory pre-bid meeting held on May 23, 2019 will be considered; other submissions will be returned to the bidder unopened. George Krawczyk confirmed that all bidders submitting bids today did attend the pre-bid meeting.

Ms. Nabors commented that in opening and documenting the submitted bids, it does not constitute an award or a recommendation for an award. After the bid opening, the bids will be reviewed for responsiveness by the purchasing division and forwarded to the Public Works/Utilities department for final review. There were two addenda posted for this project. Acknowledgement of receipt of these addenda is required and failure to acknowledge may result in rejection of that bid.

Ms. Nabors stated that there is still a cone of silence for this bid, so any communication should be directed to her at snabors@nlauderdale.org
