

EXTERIOR RESIDENTIAL PAINT PROGRAM

Program: The Exterior Paint Program provides assistance to homeowners of single-family homes, townhomes, condominiums and duplexes located in the City of North Lauderdale. Rental properties are not eligible. Assistance will be provided to homeowners on a “first come, first serve” basis. The program will reimburse a maximum amount of reimbursement of **\$500** to the homeowner for the cost of the paint only and does not require any repayment. Once the applicant completes and returns the application, Community Development Department staff will review for approval. The applicant is required to purchase approved paint (color) and provide the City with the original proof of purchase. Reimbursement will be made once the home is painted.

All requested paint purchase is subject to staff review and approval. Please call (954) 724-7069 and press 3 if you need assistance. **APPLICATIONS ARE ACCEPTED BY APPOINTMENT ONLY**; appointments are scheduled during the week between 8:30 am to 4:00 pm. The program does not reimburse for any expenses prior to City approval of the application and/or completed outside the program guidelines.
