REQUEST FOR PROPOSALS

I. INTRODUCTION:

1. The intent of this “Request for Proposals” is for the City to enter into a contract with a qualified entity for marketing and auctioning services to facilitate the sale of the City’s Charter School Facility and Real Property, comprised of approximately 1.79 acres with a school facility and gymnasium of approximately 76,434 square feet (the “Property”).

2. The City of North Lauderdale owns the real property. The school facility and gymnasium were constructed in 2000. For several years, the City operated a Charter High School on the Property, and closed the school in 2006. The Property is generally described on Exhibit “A” to this RFP. The buildings were constructed to meet the requirements of both the South Florida Building Code in effect at the time of construction in 2000, and State Requirements for Educational Facilities (SREF).

3. The City of North Lauderdale was incorporated in 1963. It encompasses an area of 5.2 square miles located just south of Coral Springs. This “City of Tomorrow” has a very diverse population of 42,706 residents who have moved here with their young families from all over the world. The median age of our residents is 32 years old making North Lauderdale home to more children per capita than any other City in South Florida. Our City is a full service community offering police service through the Broward Sheriff’s Office, Fire/Rescue protection, Public Works, Water & Sewer Utilities, Community Development, Code Enforcement and outstanding Parks & Recreation services. We offer affordable housing which includes new townhomes and luxury apartments. The City is building a future with a strong economic base by working with its large employers such as The Answer Group, Home Depot and Publix as well as assisting the smaller business community. North Lauderdale is a small town, family-oriented community with big-time city amenities.

4. The City has recreational facilities and amenities which could be made available to a purchaser of the Property depending on the proposed use and terms in a proposal. A description of such facilities is provided in Exhibit “E” to this RFP.

5. The City reserves the right to establish a minimum price for which it would sell the Property pursuant to an auction by the selected Responder.

II. REQUESTED PROPOSALS

7. The City is also soliciting responses to a Request for Proposals for the direct Purchase, Lease or Lease with Purchase Option for the sale of the Property. Responses to the Request for Proposals for the Purchase, Lease or Lease-Purchase of the Property will be evaluated separately from responses to this RFP. The City Commission may elect to proceed with selling or leasing the property pursuant to a Response to the Request for Proposals for the Sale, Lease or Lease-Purchase of the Property, in lieu of accepting any of the responses it receives through this RFP.

III. PERMISSIBLE USES:

The Property has a Land Use Designation of Community Facility under the City's Comprehensive Plan, and is zoned Community Facilities (CF) under the City's Zoning Code. Attached hereto as Exhibit "C" are relevant portions of the City's Comprehensive Plan and Zoning relating to permissible uses for the Real Property and Facilities.

The Respondents will be notified of the time and place of all meetings of the Evaluation Committee and the presentations if the Evaluation Committee determines that presentations would be useful to its evaluation process.

3. After the Evaluation Committee has short-listed the proposals, the City Commission will evaluate the short-listed proposals, which may include presentations to the City Commission. The City Commission will then rank the proposals and City staff will begin to negotiate an agreement with the first ranked Firm. Acceptance of the offer shall be through the selection by the City Commission of a proposal at the conclusion of the selection process. Proposals may not be withdrawn during the mandatory sixty (60) day period for acceptance by the City. Should a Responder notify the City during the sixty (60) day acceptance period of an intent to withdraw a proposal, the City is not obligated to permit the withdrawal and may proceed to accept the proposal if the City Commission deems that the proposal is in the best interest of the City.
