OPEN AND COMPETITIVE

Opening Date 03/07/17

Closing Date 03/31/17 12PM

COMMUNITY SERVICE WORKER I **Grade 39 (Salary Range \$27,634 – \$47,321)**

This is semi-skilled manual work involving repair and maintenance of the City's water and sewer infrastructure. An employee in this class participates in water and force main valve maintenance, fire hydrant maintenance, sewer backups, repair of water services and water mains, water meter and water meter box replacement, sewer inspection and all duties related to water and sewer maintenance. Work assignments are received in the form of general work orders, or received in detail as work progresses. Work is reviewed through observation of the quantity and quality of results attained.

ESSENTIAL JOB FUNCTIONS

- Operates hand held tools, grounds maintenance equipment and utility repair equipment.
- Digging and refilling ditches.
- Water service and water main repair.
- Fire hydrant maintenance, repair and flow testing.
- Water and force main valve cycling.
- Sewer manhole inspection.
- Sewer line repair.
- Sewer lateral televising and snaking clogged lines.
- Cutting grass, trimming hedges and trees around medians and lift stations.
- Site restoration and repair of sod, sidewalks, streets and asphalt patching.
- Participates in performing semi-skilled and unskilled manual tasks.

ADDITIONAL JOB FUNCTIONS

- May operate such other construction as may from time to time be required, and transport men and materials.
- Attends in-service training when required.
- Performs related duties as required.

KNOWLEDGE, SKILLS AND ABILITIES

Knowledge of:

- Methods, materials, and practices used in water and sewer repair, ground maintenance and street maintenance.
- Principles and methods of operating the assigned equipment.
- Occupational hazards of the types of work performed, and of necessary precautions to be followed.
- Safety procedures in the use of tools and equipment.

Ability to:

- Operate assigned equipment safely and efficiently.
- Perform manual work under hot and humid conditions.
- Understand and follow oral and written instructions; express ideas accurately, clearly and effectively.
- Perform work requiring strength and dexterity.
- Meet work schedule and attendance standards.
- Establish and maintain effective working relationships with other employees.

DESIRABLE EXPERIENCE AND TRAINING

- High school diploma or GED.
- Experience in the installation, repair and maintenance of water and sewer infrastructure; possession of class 1, 2, 3 state certification license for water distribution and/or sewer collection preferred.
- Skilled in the operation of equipment for which hired or equivalent combination of education, training and experience.
- Valid Florida Class B CDL or ability to obtain within 6-months of employment.

PHYSICAL REQUIREMENTS

Tasks involve the intermittent performance of moderately physically demanding work, typically involving some combination of reaching, bending, stooping, kneeling, or crouching. The work is heavy work which requires exerting up to 100 pounds of force occasionally, and/or up to 50 pounds of force frequently, and/or up to 20 pounds of force constantly to move objects.

ENVIRONMENTAL REQUIREMENTS

Tasks are performed in outdoor environments. Due to the nature and non-specific location of the work environment, tasks include potential for intermittent exposure to disagreeable elements, e.g. heat, humidity, inclement weather. Some tasks include working in and around potentially hazardous environments and/or chemicals, where heightened awareness to surroundings and observance of established safety precautions are essential in avoidance of injury or accident.

Oral Interviews – Date and time to be determined (by invitation only).

Submit application: Human Resources Department
City of North Lauderdale
701 S.W. 71st Avenue
North Lauderdale, FL 33068
