

PARKING OF OPERABLE COMMERCIAL VEHICLE
(Section 106-227)

Purpose:

1. A resident of the City with a valid home use Occupational License may park one commercial vehicle associated with the licensed business on private property on asphaltic or concrete surface at the licensed address once the resident properly registers the vehicle with the City.
2. A resident of the City may park one commercial vehicle associated with his or her employment on private property at his or her residence once the resident properly registers the vehicle with the City.

Required Documentation:

A valid Occupational License or verification from employer of an authorized take home commercial vehicle

Additional Requirements:

- Vehicle for which permit is issued is related to business/employment of property resident
- Vehicle must meet size requirements and parking site as stated in Section 106-227
- No more than one commercial vehicle per household is eligible
- The vehicle for which the permit is issued shall be parked on private property on an approved hard surface, supplementary parking space in compliance with Section 106-222.
- The permitted vehicle shall only be parked at the authorized address as set forth in this application.
- Commercial Vehicle Permit Sticker must be properly displayed on vehicle.
- A tenant must also obtain the authorization of the property owner and his/her signature on this application.
