The City of North Lauderdale reserves the right to reject any or all bids, to waive any informalities or irregularities in any bid received, to re-advertise for bids, or to take any other such actions that may be deemed to be in the best interest of the Owner and the City. The City anticipates letting the Owner enter into a written contract with the bidder who submits the bid judged by the City to be the most advantageous, responsible, and most responsive. The City is not required to award any jobs to a Contractor based solely on their bid being the lowest. Awards will be based on past performance and quality of work in addition to bid. The most jobs any one contractor can be awarded at one time will be three. New contractors who have not worked for the City prior will be awarded only one job.

If selected for a project, all bidders must earn a satisfactory performance evaluation rating prior to being considered for award of additional contracts. Bidders whose performance is unsatisfactory will be excluded from bidding on future projects for one or more fiscal years. The decision to exclude a bidder and the number of years a bidder is excluded is in the sole and exclusive discretion of the City and is not subject to appeal.

All communication regarding these bids shall be directed to Chassidy Albury, Neighborhood Improvement Coordinator via email at calbury@nlauderdale.org or phone at (954) 597-4745.
