CHANGE OF CONTRACTOR/CONTRACTOR REQUEST TO WITHDRAW

Forward:

Change of Contractor(s) on an issued permit(s) is requested by the owner of record or the contractor for the permit and is accomplished in accordance to the Florida Building Code (FBC) Section 105.6.1.5.

OWNER REQUESTED CHANGE OF CONTRACTOR:

When an owner requests a Change of Contractor, the owner shall submit a letter to the Building Official of the City of North Lauderdale, stating the reason for the change being required and stating that the Building Official is held harmless from any legal involvement regarding this request. The existing permit may be cancelled, but is not necessary.

In addition, the owner shall submit proof to the Building Official that the contractor on record for the subject permit has been notified of the intent to change the contractor. The proof shall be either a copy of a certified registered letter sent to the contractor by the owner, or by a notarized letter from the contractor stating he/she is aware of and has no objection to the Change of Contractor request.

When an owner requests a Change of Sub-Contractor, the procedures as above apply, with the exception that both the owner of record and the contractor shall submit a hold-harmless letter to the Building Official.

Any portion of work already done covered by the Contractor or Sub-Contractor shall be suspended and no further inspections performed until a new contractor or sub-contractor has obtained a new permit.

CONTRACTOR REQUEST TO WITHDRAW FROM A PERMITTED JOB:

When a contractor wants to withdraw a permitted job without cancelling the permit, the contractor shall submit proof to the Building Official that the owner of record has been notified, and submit a letter to the Building Official, stating that the Building Official is held harmless from any legal involvement.

If a Sub-Contractor wants to withdraw from a permitted job without cancelling the permit, the Sub-Contractor shall submit proof to the Building Official that the owner of record and the Contractor have been notified, and also send a letter to the Building Official stating that the Building Official is held harmless from any legal action.
